Biography

She ran a well established brothel in Spynham, Kaedwen, making sure to protect her clients' privacy to keep their business. While she was also cordial to witchers, like the well known Preston Holt, she made it outwardly clear witchers were not allowed to sleep with any of the working girls due to the common populace having negative views of witchers to the point many may refuse to be with a girl that had been with a witcher. However, like all her other special clients, she would secretly allow the girls to do so, provided they kept quiet about it, lest they lose their job.
